

*Where Tradition Meets Innovation*

## **TICKET TO THE FAIR**

*This form is due by Friday, April 10, 2020*

The San Mateo County Fair is excited to announce the “Ticket to the Fair” school program. This is an outreach program that works directly with our schools in San Mateo County. The San Mateo County Fair has been committed to providing meaningful, educational fun for our kids. Coming to the Fair has been a long standing tradition in our community and we work to maintain that tradition while pushing ourselves and our community to imagine the innovation of tomorrow. We want all our kids to have the opportunity to experience this great American tradition and be inspired. That is why the San Mateo County Fair will provide every elementary school student from Kindergarten to 5<sup>th</sup> Grade in San Mateo County a FREE ticket to the Fair.

In order to implement this monumental effort, we need the support principals, in every school district in San Mateo County to fill out and complete this form for the children. We hope to have the tickets ready to be picked up in our front admin office at the beginning of May. More details will be emailed to the person you assign to pick up the tickets; see below.

**This program is ONLY open for students from grades Kindergarten to 5<sup>th</sup> grade including public, private, and homeschooled.** The form is due by Friday, April 10, 2020 and we will not be accepting any late forms after April 10<sup>th</sup>, 2020.
