# What buyers need to know

1. **Report to the Buyer's Registration Area** to receive Buyer number. If you are unable to attend the auction and wish to purchase an animal, you may make arrangements with the exhibitor to complete the buyer registration.
2. When bidding on animals, **immediately upon acceptance of bid, a runner will bring your bill of sale to you.** You must sign the bill of sale, and **NO CHANGES WILL BE ACCEPTED** once the animal has been declared 'SOLD' by the auctioneer.
3. All '**Buyer Add On**' must be done by the conclusion of the auction.

**You will need to select one of the processing choices:**

1. **CUSTOM PROCESS:** Select a cut and wrap meat locker from those listed on the Sale Agreement. Pay for your animal and any processing fees on the day of the auction. Cut and wrap charges are paid directly to the cut and wrap companies when you pick up your meat.
2. **RESALE:** If you wish to buy but have no desire to keep the meat, check the Sell at Market box on your bill of sale. The fair will resell the animal to a packer at market price. The total cost to you will be the difference between your bid and the market price.

**There is NO RESALE on Market Hogs or Market Goats**
